

INTEGRA & INTEGRA ACADEMY
PROGRAM SUMMARY
2020 - 2021 Season
CCV Surprise

PRELIMINARY BASED ON CURRENT COMMUNITY SITUATION

MORE THAN A GAME

(Striving To Achieve Real Significance)

(6/1/20)

Welcome to CCV Stars soccer! We are honored that you have chosen to look further into our program. With the help and support of more than 1500 volunteers, we have created a high quality, professionally run multi-sport youth program with more than 15,000 participants based on Christian principals.

CCV Stars is open to all players and families, regardless of race, religion, color or creed. Many call CCV their home church, but this is not a requirement to play and have fun. We are competitive, professional and ambitious, but our motto is **More Than A Game (MTAG)** and we have high standards of sportsmanship and clear focus on code of conduct. We pray at practices and games and expect players to participate in a short character development program every week. We promote an open, safe and friendly environment where everyone is welcome.

We are excited to begin the 2020 season of with our INTEGRA and INTEGRA Academy program.

We will feature the following age groups (by birth year) this season:

Boys Teams:

- **2010/11** (will play 9v9), **2007/08** (will play 11v11)

INTEGRA Guidelines

- Building Godly leaders to Impact the world through youth sports
- Raising the standard for a youth sports experience all can be proud of
- Establishing “ambassador” teams to represent CCV and STARS in the community
- Training for excellence and expecting the best
- Preparing players to excel in the upcoming INTEGRA programs

7 Pillars of INTEGRA

- Character & Integrity
- Respect/Sportsmanship
- Responsibility/Accountability
- Teamwork/Serving
- Leadership
- Commitment to Excellence
- Skillful & Attractive soccer

When committing to INTEGRA Academy and INTEGRA teams, all players, parents, administrators, and coaches will be expected to participate and complete a more rigorous but healthy training program. In addition, consequences outlined in the training will be clear, firm and consistent. The challenge of extending competitive youth soccer to a higher and healthier level of play and representation is very exciting. As we approach placements/tryouts for the 2020 – 2021 season, a player and family's character and interest in being a part of the INTEGRA program will be important.

PLACEMENT/TRYOUT & SELECTION

We anticipate 2-3 dates per age/gender for which all players are encouraged to participate. A detailed schedule for placements/tryouts can be found at the Stars website under Surprise/Club Soccer. A player wishing to tryout in an older age group "must" tryout in his or her natural age group as well. See "playing-up" policy later in this guide.

Professional coaches will be heavily involved in the age specific placements and tryouts to be able to group the players with "like level" qualities.

The typical \$15 tryout fee will be WAIVED this year due to the covid19 situation.

The INTEGRA Academy includes gender specific age groups in the u7-u10 division; each will have a maximum of 24 players each:

Boys and Girls u8 (2013/2014 birth date) play 4 v 4

Boys and Girls u10 (2011/2012 birth date) play 7 v 7 (goal keepers included)

The INTEGRA Program includes gender specific age groups in the u11-u18 divisions;

Boys and Girls (2010/2009 birth date) play 9 v 9 (max roster 14)

Boys and Girls (2008/2002 birth date) play 11 v 11 (max. roster 22)

A player may be added after the formal evaluation and selection process but will be carefully placed to preserve the integrity of the program and make the best fit for that player and team.

- Academy teams will play in the Academy League with other top clubs in the valley. There will be approximately 10 play date weekends.

PROGRAM POLICIES AND EXPECTED BEHAVIORS

Please see our website, [www.ccvstars.com/Surprise/Club Soccer/Resources & Forms](http://www.ccvstars.com/Surprise/Club%20Soccer/Resources%20&%20Forms), for a detailed description of our Standards of Behavior. The key elements are:

Playing Up in Age: You must dominate your age group and be an impact player at the next age group for it to be allowed. Both the Program Director and Director of Coaching must approve. All players must tryout at least one time in their natural age group and the older age group before it will be granted to play-up. No exceptions.

Loaning Players to Clubs outside Stars: We do not loan players during the season. Each program (United/Integra) has a slightly different policy. Only extreme exceptions will be considered by the Director of Coaching.

Playing Time: 50% or greater "on average" until final competition phase (INTEGRA Academy/INTEGRA).

24-Hour Rule: No one should contact a coach or parent within 24 hours of a game or situation in which he or she may be upset. After that time, schedule an appointment directly with that person.

Matthew 18 Rule: If you are upset with someone, first attempt to solve the issue directly with that person before involving others. Gossip will not be tolerated.

60-Second Rule: When your child wants to complain about the coach, the referee or another player, listen first but do not respond for 60 seconds. At that point help your child focus on something more positive and come back later for a more detailed discussion.

Be the Bigger Person (BBP): When all else fails, be the bigger person when there is a simple conflict. Don't sweat the little and occasional things.

STANDARDS OF BEHAVIOR SUMMARY (“CODE OF CONDUCT”)

In line with our **More Than A Game** philosophy, the following are our standards for behavior that detail our high expectations for character and sportsmanship. This includes clear consequences for coaches, players and parents if rules are not followed.

Below are some of our expectations:

- Be positive and encourage all players, coaches and family members
- No gossip or negative talk about players, coaches, referees or opponents
- No parent coaching from the sideline at practice or games
- No parent interrupting practice or games
- No foul language
- Show sportsmanship in all situations
- No parent interaction with the referee
- No use of illegal substances by our players or coaches at anytime

Note: When in doubt, we will follow the Bible and CCV Core Values to determine acceptability
