

2020-21 Fundraising Guidelines

1. All STARS fundraisers are ideally performed off-site away from the CCV campus.
2. There can be NO solicitation (active selling) of any kind at the Sports Complex, parking lots or on the CCV main campus.
3. There can be NO flyer (or similar) distribution anywhere on or around the CCV Sports Complex, CCV parking lot or on the CCV church campus.
4. The following logos are not to be used on any email, social media site, flyer, pamphlet, or promotion for a fundraising activity: CCV, CCV STARS, STAR, STARS or MTAG (More Than A Game).
5. The CCV logo or “CCV” title will not be used at any time. Thus, if a sign is made it should read 2008 Girls Car Wash, not CCV STARS (or other) Car Wash.
6. All fundraiser promotion material must first be cleared with STARS management prior to use. See form to complete and email to Harry for approval.
7. NO fundraising promotion will be allowed if it has to do with gambling, gaming, alcohol, or tobacco use or anything that CCV would deem to be inappropriate.
8. NO email lists of coaches, players, or families will be given to any team for a fundraising purpose.
9. STARS’ teams CANNOT utilize GO FUND ME accounts (or similar apps such as Pay Pal Giving etc.) seeking to raise money online for their team expenses.
10. STARS has set up a donation page on its website strictly for donations to support Integra teams. www.ccvstars.com/donate. This link may not be used for registration payments. Only donations that benefit a team (as a whole) may be given through this link. Tournament fees, team travel expenses, team equipment are common examples of the use for this.
 - NO player names can be attached for specific direction. Funds that come into a team account can be used at the discretion of the team staff.
11. All fundraisers are approved by STARS management (Harry Demos) harrydemos@ccvstars.com.

NOTE: Please understand that we do not want people “sold to” while they are on campus enjoying their family time either at a church service or on campus event or while their athletes participate in youth sports.
