PROGRAM SUMMARY
2019 Tryouts & Placements

MORE THAN A GAME

(Striving To Achieve Real Significance)

(4/1/19)

Welcome to CCV STARS soccer! We are honored that you have chosen to look further into our program. With the help and support of more than 1200 volunteers, we have created a high quality, professionally run multi-sport youth program with more than 14,000 participants based on Christian principals.

CCV STARS is open to all players and families, regardless of race, religion, color or creed. Many call CCV their home church, but this is not a requirement to play and have fun. We are competitive, professional and ambitious, but our motto is **More Than A Game (MTAG)** and we have high standards of sportsmanship and clear focus on code of conduct. We pray at practices and games and expect players to participate in a short character development program every week. We promote an open, safe and friendly environment where everyone is welcome.

We are excited to begin the 2019 season of our INTEGRA Academy and INTEGRA Programs for boys and girls u7-u19. The INTEGRA Academy program will be for players born in 2013- 2010 (as they play smaller sided games). INTEGRA Academy players will participate in the local academy league with the top clubs in the area. The INTEGRA program will be for players born in 2009 - 2001. Each gender/age group will have approximately 18-24 players representing CCV STARS both in the community and in regional or national competition. The INTEGRA Program will participate in the AYSA Port of Subs Open League (POSOL), Chipotle State League (CSL), Arizona Premier League (APL), Far West Region League (FWRL), and potentially, the USYS National League.

INTEGRA Guidelines

- Building Godly leaders to Impact the world through youth sports
- Raising the standard for a youth sports experience all can be proud of
- Establishing "ambassador" teams to represent CCV and STARS in the community
- Training for excellence and expecting the best
- Preparing players to excel in the upcoming INTEGRA programs

7 Pillars of INTEGRA

- Character & Integrity
- Respect/Sportsmanship
- Responsibility/Accountability
- Teamwork/Serving
- Leadership
- Commitment to Excellence
- Skillful & Attractive soccer

In coordination with this, our expectation of players and coaches, administrators and parents will include a high standard of excellence. There will be a heavy emphasis on the following:

- Understanding and supporting roles
- Encouraging and empowering positive attitudes and excellent behavior
- Model for outstanding sportsmanship
- Willingness to create and extend team relationships
- Involvement in community outreach
- Support for player and coach modeling and leadership practices

When committing to INTEGRA Academy and INTEGRA teams, all players, parents, administrators, and coaches will be expected to participate and complete a more rigorous but healthy training program. In addition, consequences outlined in the training will be clear, firm and consistent. The challenge of extending competitive youth soccer to a higher and healthier level of play and representation is very exciting. As we approach placements/tryouts for the 2019-20 season, a player and family's character and interest in being a part of the INTEGRA program will be important.

PLACEMENT/TRYOUT & SELECTION

We have 3 dates per age/gender for which all players are encouraged to participate. A detailed schedule for placements/tryouts can be found at the STARS website under Peoria/Club Soccer. A player wishing to tryout in an older age group "must" tryout in his or her natural age group as well. See "playing-up" policy later in this guide.

Professional coaches will be heavily involved in the age specific placements and tryouts to be able to group the players with "like level" qualities.

All players must wear the gray STARS practice shirt for all placement/tryouts. If they do not already have one, one shirt will be provided with your tryout registration fee. Additional shirts can be purchased.

The INTEGRA Academy includes gender specific age groups; u7 - u10 that will have approximately 18-25 players each:

Boys and Girls u7 (2013 birth date) play 4 v 4

PROGRAM POLICIES AND EXPECTED BEHAVIORS

Please see our website, www.ccvstars.com/Peoria/Club Soccer/Resources & Forms, for a detailed description of our Standards of Behavior. The key elements are:

Playing Up in Age: You must dominate your age group and be an impact player at the next age group for it to be allowed. Both the Program Director and Director of Coaching must approve. *All players must tryout at least one time in their natural age group and the older age group before it will be granted to play-up.* No exceptions.

Loaning Players to Clubs outside STARS: We do not loan players during the season. Each program (United/Integra) has a slightly different policy. Only extreme exceptions will be considered by the Director of Coaching.

Playing Time: 50% or greater "on average" until final competition phase (INTEGRA Academy/INTEGRA).

24-Hour Rule: No one should contact a coach or parent within 24 hours of a game or situation in which he or she may be upset. After that time, schedule an appointment directly with that person.

Matthew 18 Rule: If you are upset with someone, first attempt to solve the issue directly with that person before involving others. Gossip will not be tolerated.

60-Second Rule: When your child wants to complain about the coach, the referee or another player, listen first but do not respond for 60 seconds. At that point help your child focus on something more positive and come back later for a more detailed discussion.

Be the Bigger Person (BBP): When all else fails, be the bigger person when there is a simple conflict. Don't sweat the little and occasional things.
