At CCV, we believe that marriage between one man and one woman with God at the center can find lasting intimacy, fulfillment, and purpose as they grow closer to God and each other.

MARRIAGE REPAIR

At CCV, we believe that no matter how your marriage got to the place where it is now, it is possible to find resolution, redemption and restoration. We want to provide you with some Biblical tools and resources to help you find healing and hope for your marriage.

Surviving An Affair

Willard Harley & Jennifer Harley Chalmers

This book gives so much insight into the “why” behind affairs, giving specifics into unmet needs in the marriage and how affairs can so easily develop. It also has quite a bit of information as to what to expect emotionally after an affair, how to begin to meet each other’s needs again, and contains many stories of couples that have been through all different kinds of affairs. Satan is the author of isolation and when you’re entangled in any sin he does such an incredible job of making you feel so alone, as if you’re the only one who has struggled with that sin, so the stories in this book are pertinent in bringing those lies to light to begin the healing process.

Anatomy of An Affair

David Carder

This book is beneficial to couples wanting to be proactive in preventing affairs or for those seeking recovery from an affair. It allows the couple to talk through many specifics that play into affairs such as high risk family of origin, high risk seasons in marriage, and more. He discusses how these factors don’t make affairs inevitable but could make the environment conducive to an affair and stressed communication as a key preventative method. There are quite a bit of interactive activities for couples to discuss and gain even further insight into each other and their marriage. Each chapter concludes with a very real, transparent story of what another couple has gone through.

Fierce Marriage

Ryan and Selena Frederick

Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation.

I Don't Want a Divorce

Dr. David Clarke

What could be good about a bad marriage? The good news is that couples can get beyond their old marriage and its destructive habits and build a brand-new one with the same spouse. And they can do it in just 90 days, even if only one spouse is committed to change.

MAXIMIZE YOUR MARRIAGE

None of us are interested in having a shallow relationship. We want to enjoy deeper connection and understanding, deeper conversations, and deeper intimacy and passion.

The First Few Years of Marriage

Jim Burns & Doug Fields

Every marriage needs to be built on a strong foundation if it's going to last a lifetime. This book gives you the practical tools that can be immediately applied to strengthen your marriage and build a marriage that can go the distance.

Grace Filled Marriage

Tim Kimmel

This book gives insight into the transforming power that grace has in your marriage and in your family. It has lots of practical wisdom and ideas of how to build your marriage around the grace that God so freely gives us. The missing ingredient in most marriages isn't love, it's grace. Love inclines us to get married, but we need grace to keep that love healthy, strong and committed. More than simply "nice," grace is that game-changing ingredient that enables us to treat each other the way God treats us, even when we don't deserve it.

His Needs Her Needs

Willard Harley Jr.

This book identifies the ten most vital needs of men and women and shows husbands and wives how to satisfy those needs in their spouses. It gives insight into how to creatively and sensitively meet the needs of your spouse and ways to communicate your needs, as well.
