

Marriage

Biblical Foundation | Matthew 19:6, 1 Corinthians 13:4-7, Ephesians 5:21-33

At CCV, we believe that marriage between one man and one woman with God at the center can find lasting intimacy, fulfillment, and purpose as they grow closer to God and each other.

Maximize Your Marriage

Ongoing rhythms of investment in your marriage are worth the effort to maintain an abundant marriage for life.

The First Few Years of Marriage

Jim Burns & Doug Fields

Every marriage needs to be built on a strong foundation if it's going to last a lifetime. This book gives you the practical tools that can be immediately applied to strengthen your marriage and build a marriage that can go the distance.

His Needs Her Needs

Willard Harley Jr.

This book identifies the ten most vital needs of men and women and shows husbands and wives how to satisfy those needs in their spouses. It gives insight into how to creatively and sensitively meet the needs of your spouse and ways to communicate your needs, as well. (Supporting resources for this book are available on RightNow Media.)

Love and Respect

Dr. Emerson Eggerichs

Reveals the secret to couples meeting each other's deepest needs--without love she reacts without respect, and without respect he reacts without love, and a painful, negative cycle begins.

The Five Love Languages

Gary Chapman

Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven and practical approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner.

Marriage Repair

At CCV, we believe that no matter how your marriage got to the place where it is now, it is possible to find resolution, redemption and restoration. We want to provide you with some Biblical tools and resources to help you find healing and hope for your marriage.

How to (Fix) Love Your Spouse: What Every Couple Needs to Know!

Matt Loehr

An unconventional way to fix your spouse to discover the love and intimacy you deserve and rebuild trust.

Surviving An Affair

Willard Harley & Jennifer Harley Chalmers

This book gives so much insight into the “why” behind affairs, giving specifics into unmet needs in the marriage and how affairs can so easily develop. It also has quite a bit of information as to what to expect emotionally after an affair, how to begin to meet each other’s needs again, and contains many stories of couples that have been through all different kinds of affairs. Satan is the author of isolation and when you’re entangled in any sin he does such an incredible job of making you feel so alone, as if you’re the only one who has struggled with that sin, so the stories in this book are pertinent in bringing those lies to light to begin the healing process.

Anatomy of An Affair

David Carder

This book is beneficial to couples wanting to be proactive in preventing affairs or for those seeking recovery from an affair. It allows the couple to talk through many specifics that play into affairs such as high risk family of origin, high risk seasons in marriage, and more. He discusses how these factors don’t make affairs inevitable but could make the environment conducive to an affair and stressed communication as a key preventative method. There are quite a bit of interactive activities for couples to discuss and gain even further insight into each other and their marriage. Each chapter concludes with a very real, transparent story of what another couple has gone through.

I Don’t Want a Divorce

Dr. David Clarke

What could be good about a bad marriage? The good news is that couples can get beyond their old marriage and its destructive habits and build a brand-new one with the same spouse. And they can do it in just 90 days, even if only one spouse is committed to change.
